

Daily Prayers for Activating Your Armor

Belt of Truth:

Lord, I pray for wisdom to walk daily in your truth, spiritual nuggets that guide my steps. Holy Spirit, empower me to “put on” your Spirit of Truth that can discern from the lies of the enemy. I come against deception that has tried to blind me and cause deafness in hearing the “Spirit of Truth” in my life. I resist being deceived. I resist accepting the lie. It is written, “Submit yourself therefore to God, resist the devil, and he will flee from you,” according to James 4:7(KJV). I add this gem to my belt of truths. I resist the enemy from causing me to be double-minded. I contradict what the enemy is doing and saying to me with what I know from God’s Word and truth. I speak now these truths that I believe God’s Word over the enemy’s lies. Thank you for who I am. Each day I am full of your wisdom and walk daily with a “knowing” attitude. In Jesus’ name. Amen.

Breastplate of Righteousness:

Lord, I desire an overflow of the Holy Spirit. Let my heart be pure and blameless before you to do right and please you, Lord. I know I am not perfect. I have sinned before you with my words and my ways. But I come before you now praying for my heart to be pure and loving. I pray for my heart to strive to be humble and open to your teaching. I want to hear what may be causing blockage, causing my heart to grow callused, hardened, and cold. I don’t want my relationship with you blocked (choked) because of my heart issues. Reveal to me any areas that might be causing this. I want to know so that I can say no to it. I am asking for forgiveness from/on _____. I repent from _____. I know it is/was a sin. With the strength of the Holy Spirit and your grace and mercy, help me to begin to change and transform my heart into the kind of heart that will show strong for You so that you will be glorified! Thank you for shielding my heart with your breastplate of righteousness! In Jesus’ name, Amen!

Shoes of Peace:

God, I pray that I choose to put on the sandals of peace each day. Thank you for going before me and removing obstacles along my path that could be catastrophic to my spiritual, emotional, and physical growth. Holy Spirit, reveal to me any area where my priorities are more self-driven than God-driven. I long to follow your lead one step at a time, so that I might go great distances to my appointed somewhere gracefully. As I continue to turn from my sinful nature of _____, help me to realize it takes a process to produce peace. I desire to seek and pursue peace. Help me to be proactive by preparing for peace with your word, so that when the trials come, I can prevail over my circumstances. Thank you for your amazing grace over my life! To you, God, all glory is given! In Jesus’ Name, Amen!

Shield of Faith:

Lord, thank you for your grace and favor on me and for loving me unconditionally. I know that my faith is strengthened because of your grace. Lord, expand my faith. Grant me the ability to trust in your power and wisdom to know what, when, and the way my life needs to go and do to accomplish your work and purposes. Enlarge my heart and faith to receive more of you. I pray 2 Peter 1:5 to my faith, that goodness, knowledge, self-control, perseverance, godliness, kindness, and love will be added to my life. I want these qualities from you so I can have more than just belief, and I can act on those beliefs and grow in my faith. I desire to know you more, do your will more, and love others the way you do. Holy Spirit, stir up in me firm faith that can shield me from the fiery darts of the enemy. Keep me focused on your grace through my faith that I will be a gracious, righteous, amazing, confident, and extraordinary woman of faith, having favor in your sight. In Jesus' Name, Amen!

Helmet of Salvation:

Father, I love you, Lord! You rescued me from a life full of fleshy, selfish desires that were leading me down a path of pride and destruction. Continue to show me your ways and teach me to walk on your paths. Help me each day to listen to your voice that guards my mind and thoughts against the culprit's ploy to leave me confused, doubting, and even prideful. I call upon Jesus' name to cast down these thoughts and send the devil fleeing. Holy Spirit, create in me a new "self" to be more Christlike in true righteousness and holiness. Thank you for directing me by divine intelligence, that my mind is full of your wisdom, understanding, and power. Thank you for loving me. I lay my selfish desires and fleshy ways at the cross, as I know to die to self is gain, if I live without you I am lost! I was lost, but now thank you for loving me so much that now I am found. Thank you for your grace, thank you for saving me! I gladly choose to put on my helmet of salvation. My hope is in you Lord. All my love to you. AMEN
